Introduction

Reader's Guide

This report covers the calendar year 2013. Our 2012 Annual Report (dated April 2013) covered the calendar year 2012. Some data reported in 2012 has been restated to reflect revised consumption figures.

The operating companies not covered by this report include:

Property Division	USA and UK
Aviation Division	Catering and laundry service companies outside Hong Kong and Cathay Pacific Services Limited (a wholly-owned subsidiary of Cathay Pacific, established to design, build and operate the new Cathay Pacific cargo terminal, which commenced operations in February 2013)
Beverages Division	Coca-Cola Bottlers Manufacturing Holdings Limited and Xiamen Luquan Industries Company Limited
Trading & Industrial Division	Campbell Swire, Akzo Nobel Swire Paints Limited, Taikoo Motors Hong Kong and Mainland China

In 2013 we have expanded the scope of reporting to include the following operations:

Property Division	Taikoo Hui investment property in Guangzhou, Mainland China
Aviation Division	Taikoo Engine Services (Xiamen) Company Limited, Taikoo Spirit AeroSystem (Jinjiang) Composite Company Limited, Taikoo (Xiamen) Landing Gear Services Company Limited
Trading & Industrial Division	Swire Waste Management Limited, Swire Pacific Cold Storage Limited

This report uses a framework which follows the Global Reporting Initiative's (GRI) Sustainability Reporting Guidelines. Using this framework makes it easy for readers to compare this report with those prepared by others using the same framework. We report on the ten GRI performance indicators which are most relevant to the Swire Pacific Group. Performance indicators are reported on a 100% basis and therefore do not make reference to the Swire Pacific Group's shareholding in operating companies. Our major operating companies report on additional indicators in their own reports, which can be found at http://www.swirepacific.com/en/sd/sd_reports.php.

The information in this report has been prepared having regard to the GRI G3.1 Guidelines. The Report Application Level is C+, as reported on by PricewaterhouseCoopers. The table on page 236 shows the GRI G3.1 references in abbreviated form. For full disclosure of the references from the Guidelines, please refer to the complete G3.1 Guidelines which can be found at www.globalreporting.org.
